Please **confirm your participation before 31st December 2015** to edered@bdat.info

If we don't receive any reaction before the deadline, we'll assume that you cannot accept our invitation and we will give the opportunity to other countries.

For the other countries, the selection process will be the following: - Various regions & languages - Date of answer - Drawing By sending us your interest in participation until **31st of December 2015** to edered@bdat.info, you assure us to be able to find 6 participants, 1 workshop leader and 1 welfare leader.
