

Dear LTG Rep,

We are delighted to invite your theatre to the Playhouse in Ilkley on November 6th- 8th for the Northern Regional Conference 2026. Ilkley Playhouse, which celebrates its centenary in 2028, has a far-reaching reputation as a non-professional, independent community theatre that offers a varied programme of high-quality productions for audiences of all ages and interests.

Since its launch in 1928, the Playhouse has grown and transformed over the decades. Housed in a building, purchased in 1960, in a picturesque spot overlooking the River Wharfe, the Playhouse has seen improvements over the years thanks to membership support and Arts Council and Heritage Lottery funding.

It has been a long time since we last hosted the Regional Conference and we look forward to welcoming you. The Conference play is 'Pressure' by David Haig, to which all delegates are invited.

Our Conference theme is 'Home Grown in Ilkley' and paying homage to our honorary Patron, Alan Titchmarsh, we have chosen speakers and workshops with connections to our theatre. These are listed within the booking package.

Enclosed with this E mail are:

- Booking form
- Timetable for the weekend
- Workshops, presentations and their leaders
- Travel, general information and options for Ilkley
- Hotel and accommodation list
- Meal menus for the weekend

The information and options provided here are based on local knowledge of the town/surrounding area and do not represent recommendations. Details are correct at time of going to press (August 2026).

Please return the completed booking form with workshop and menu choices as soon as possible to ensure your place. Booking closes on **Wednesday 30th September**. We will be taking payment through our online booking system and will send you a link with the confirmation email.

We look forward to meeting you in November and welcoming you all to our theatre in the Yorkshire Dales.

Kind regards,

Rosie Bond

LTG Rep – Ilkley Playhouse
